SUMMARY

Computer Science student with hands-on experience in software and web development through academic projects and hackathons. Contributed as a frontend developer in an AI-based healthcare project and currently building full-stack applications to strengthen backend and development skills. Looking for a Java Developer role to learn, grow, and contribute in a professional development environment.

EDUCATIONAL QUALIFICATIONS

Bachelors of Technology (B.Tech - CSE) **Jul 2023 - Jun 2027**

- JECRC University | CGPA - 9.28/10

Senior Secondary **Jul 2021 - Jun 2022**

- Prerna Public Senior Secondary School | 92.00%

PROJECTS

TruthTrace – AI Assisted Fake News Detection Platform : (In Progress)

• Developed a full-stack fake news detection platform using Spring Boot, React.js, and MySQL.
• Implemented NLP-based rumor analysis and OCR-powered screenshot text extraction features.
• Designed REST APIs and integrated backend services for secure data processing and rumor tracking.
• Built responsive frontend interfaces and integrated full-stack functionalities for seamless user experience.

Smart Email Assistant :

• Developed an AI-powered email assistant application using Java, Spring Boot, and React.js.
• Implemented AI-based email reply generation features to automate and improve email responses.
• Designed REST APIs and integrated backend services for efficient communication between frontend and server.
• Built responsive user interfaces and integrated full-stack functionalities for seamless user experience.

SKILLS

• Programming Languages: C, Java.
• Web Technologies: HTML, CSS, React.js.
• Backend: Spring Boot, REST APIs.
• Databases: MySQL.
• Tools & Platforms: Git, GitHub, VS Code, IntelliJ IDEA.
• Concept: Data Structures and Algorithms (DSA), OOPs, DBMS.
• Soft Skills: Teamwork, Problem Solving, Communication.

ACHIEVEMENTS & CERTIFICATIONS

• GATE Qualified – 2026
• National Healthcare Hackathon: Frontend Developer for AI-based Fall Risk Prediction System.
• Smart India Hackathon (SIH): Participant.
• Worked as an ICMMAAC volunteer in Registration and Certification Management.
• Simplilearn Certification: Java Full Stack Web Development.
